Sidney, Ohio, August 26, 1903.

A few months ago I was feeling weak and run down and unable to get sieep at night. I feit extremely bad, and also had rhoumatic pains in my joints and muscles. The medicine I used gave me only temporary relief at best; so seeing S. S. higaly recommended for such troubles, I began its use, and after taking it for some time was well pleased with the result. It did away with the rheumatic pains, gave me refreshing sleep and built up my general system, giving me strength and energy. It is a good medicine, without a doubt, and I take pleasure in endorsing it.
